

Winsor & Newton Calligraphy Inks are professional quality non-waterproof inks specifically designed for calligraphy. The range consists of 18 vibrant colours including 4 special colours (Matt Black, White, Gold & Silver) All the inks have been formulated with carefully chosen pigments to ensure maximum brilliance of colour. Single pigments have been used wherever possible to make clean colour mixtures.

Colours

- Black
- Blue Black

* Only Use with Dip Pen or Brush

The colours are all non-waterproof to ensure that they are non clogging and have good flow characteristics. They are all fully intermixable and have a permanence rating of AA (Blacks & White) or A (= permanent). Rinse pens and brushes with clean water. To dilute the inks, if required, use distilled water. Should the ink be allowed to dry it can be removed with airbrush cleaner. All bottles 30ml.
